

Did you know, that your benefit is worth of money?

You have received one of Finland's most popular fringe benefits! With your benefit you can enjoy variety of different culture and sport activities of your taste. Pay your current hobby membership or try out a whole new activity by using your recreational benefit!

Everyone will surely find their favorite activities among over 9 000 recreational places that belong to the network. Your employer can offer you at the most € 400 of tax free recreational benefit. The benefit is paid as an addition to your salary and you don't have to pay taxes from it.

Sport

- You can pay, for example, gym or yoga center memberships, one-time payments at public swimming pools, rent of a tennis court, bowling or a lift ticket with your recreational benefit, climbing, dancing and much more!
- You can also pay equipment rental with your benefit

Culture

- Variety of different cinemas, museums, and theaters accept Virike® vouchers as a payment instrument.
- In addition, you can pay different culture, music, and sport event tickets with your recreational benefit. You can get your tickets from **Lippu.fi**, **Lippupalvelu** or **Tiketti.fi**.
- When buying an event ticket, book it first online or by phone and pay it afterwards at a R-kiosk or from a ticket selling company (Ticketmaster Suomi formerly known as Lippupalvelu, Lippupiste, and Tiketti)

Please note that when using vouchers you will not get the change back!

You can search places, where to use your benefit, by using Edenred's [search engine](#). Over 9 000 recreational places all over Finland accept the voucher as a payment instrument.
